### OUR METHODOLOGY

PronounceMe creates a bridge between the learner's native language and the sounds of English, with custom-designed exercises for their language background - using insights derived from academic research and methodology from theatre.

### EISHA KAROL MA (OXON) FOUNDER

Oxford English graduate with extensive teaching and theatre background.

# PRONOUNCEME

PronounceMe is a personalised language training programme that quickly creates a noticeable improvement in spoken English skills.

Building a bridge to good spoken English

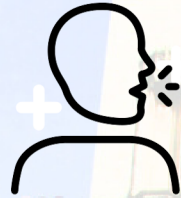

## WHY US ?

The unique PronounceMe™ methodology combines academic research with theatre-based skills to deliver transformational training with lasting results.

By offering training that focuses on the needs of the learner's language background, we cut delivery times and costs dramatically.
